

# Synergy preferred supplier program

Get strategic about your sourcing and save up to 45% on supplier spend

## What is Synergy?

JLL's preferred supplier program that delivers the best service at the best prices by leveraging JLL's considerable US spend and powerful global platform.

Comprised of 68 best-in-class global, national and regional suppliers including architects, general contractors, lighting, flooring, furniture, engineering, HVAC and more, Synergy offers discounted pricing based on JLL's footprint and potential buying power.

## Why Synergy?

- Savings of 10-45%
- Pre-negotiated contracts and quick mobilization, saving time
- Assurance that suppliers meet highest standards for service process and procedures
- Most efficient delivery and installation and extended warranties
- Global capabilities—50% of Synergy suppliers have global reach
